All measurements are in inches.

HOW TO MEASURE

WAIST: Measure just above the hipbone at the natural waistline. Stand relaxed, not holding your stomach in, as this will result in an inaccurate measurement.

SLEEVE: Measure from the **CENTER BACK** of the neck to the wrist

INSEAM: Measure from base of crotch to top edge of shoe, standing upright.

Try to wear the shoe that will be worn with the coveralls.

CHEST: Measure entirely around the largest portion of the chest.

Long/Tall body is recommended if you are 6 feet or taller.
